

To set up your Email on your iPhone or iPad, first of all open the 'Settings' App...

...and open the 'Accounts & Passwords' settings

Select 'Other'...

...and enter your Account Name, Email Address, Password and description. The description should be the same as your email address.

*If you need a reminder of your login details, please call 01995 642 145 or email support@easywebsites.co.uk
