

Setting Up Emails on iPhone or iPad

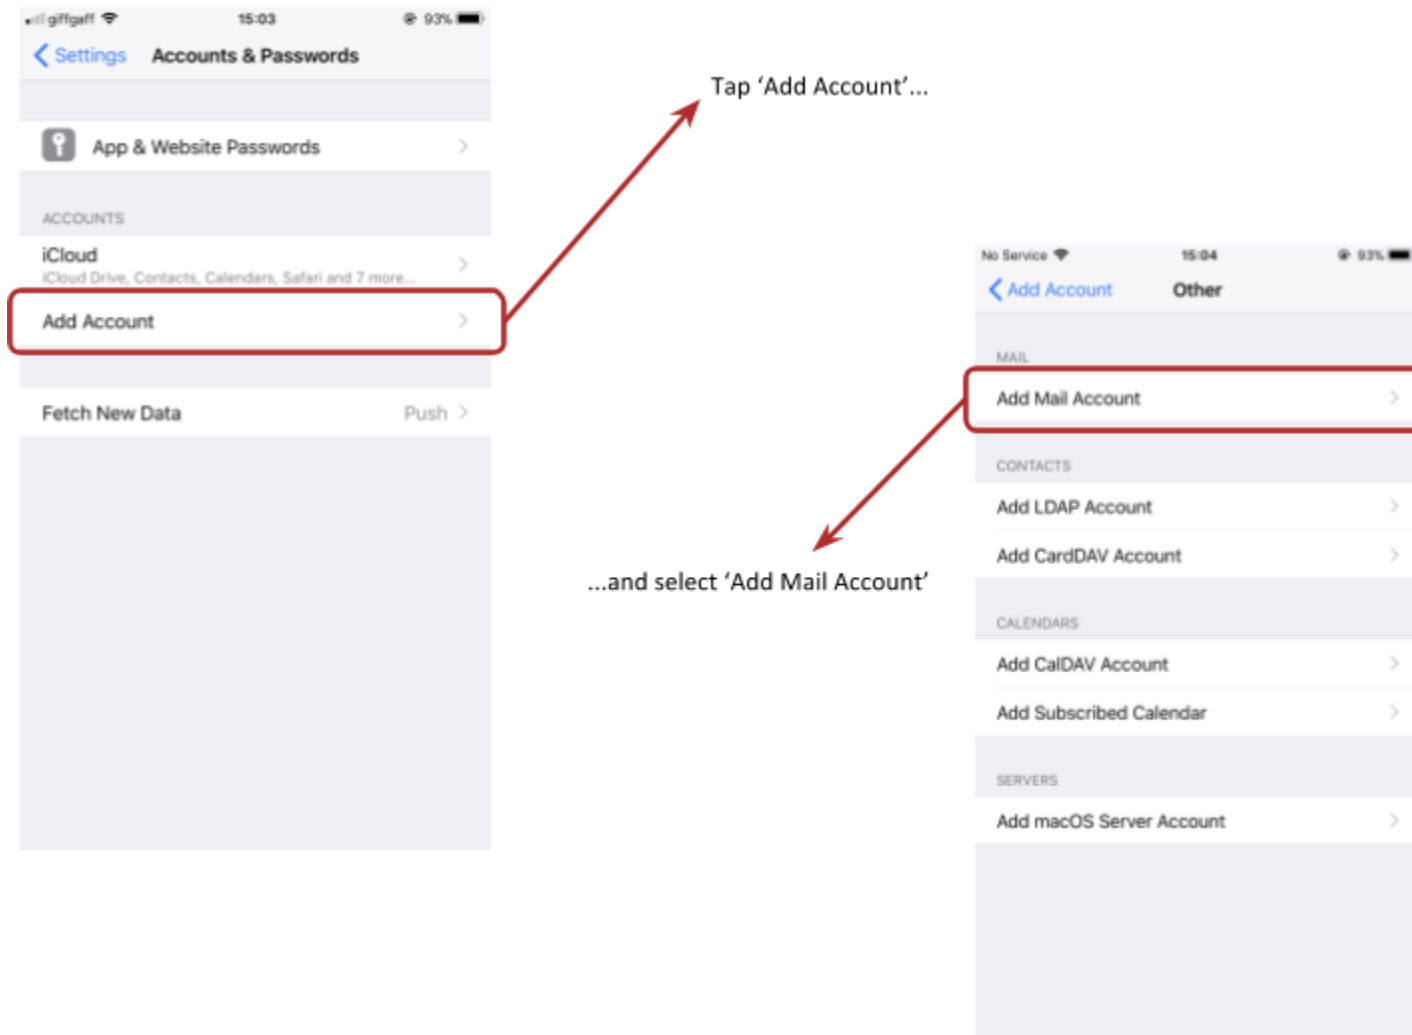

To set up your Email on your iPhone or iPad, first of all open the 'Settings' App...

...and open the 'Accounts & Passwords' settings

Step 1

Select 'Other'...

...and enter your Account Name, Email Address, Password and a small description of the account. The description could be your company name.

*If you need a reminder of your login details, please call 01995 642 145 or email support@easywebsites.co.uk
