- Access your e-mail from any computing device with internet access
- Accessible from anywhere in the world Benefits
- No need to take your laptop on holiday
- No software required, access via any web browser

The screenshot shows the T&I WebMail login interface. At the top, there is a dark blue header with the T&I logo and the text 'WebMail'. Below the header, there are two tabs: 'E-Mail' (which is selected) and 'Online Storage'. The main content area contains a login form with two input fields: 'E-mail Address' containing 'email@domain.co.uk' and 'Password' containing a masked password '.....'. To the right of the password field is a blue 'Login' button. Below the password field is a link that says 'Forgot your password?'. To the right of the login form, there is a text prompt: 'Would you like to have your own unique e-mail domain?' with a link that says 'Click here.'.

Go to <https://mail.ionos.co.uk> and enter your Email address and password, then press 'Login' to proceed. If you need a reminder of your login details, please contact the office on 01995 642 145.

Access your folders, check your email list and read individual messages.

Click 'Compose' to write new message, or use the icons to reply, forward, delete or mark as spam.

Click the three bars to the right of your folder name to empty or create a new folder.

EASY WEB SITES

Accessing WebMail

If you require further support for WebMail, please call the office on either 01995 642145 or 07825 575007.
